

Maths Challenge

The focus of this maths challenge is addition and subtraction using money.

Maths Challenge Success Criteria (S.C.):

I can count the total amount of money made by one type of coin

I can count the total amount of money made by different coins

I can estimate how much change will be given after a purchase

Please can you encourage or help your child to carry out these challenges to practice their counting skills...

To help your child practice addition and subtraction with money you could:-

- ⇒ Play shops (take turns to be the shop keeper and customer)
- ⇒ Count how much of each coin is in your purse
- ⇒ Let your child pay in a shop and estimate the change that will be given

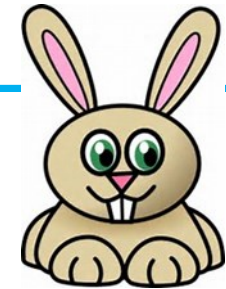

Make up some of your own activities and let us know how you got on!

You can record what you did in any way you like – bring in the sheet you recorded it on, or even photographs that shows what you did to show the class, get a sticker and the chance to be ... “Mathematician of the Week”

**Squirrel and Rabbit
Classes**

We have started our new Topic

Goodies & Baddies in Traditional Tales

On Tuesday Squirrel and Rabbit Classes had a crime to solve!

What has happened to the three bear's cottage in the hall?
Who has committed this dastardly crime?

The children worked hard to piece all the evidence together and solve riddle of what had exactly happened.....

It was of course Goldilocks, so the children wrote some fantastic descriptions of this terrible criminal on WANTED posters - now on display in their classrooms.

Well done to:

Lauren, Ava, Maisy and Amelia from Squirrel Class

Ding Ding, Eva, Beth, Grace, Daniel, Cyrus, Jynxs, and Elliot from Rabbit class

For achieving 75 or more Stars this week!

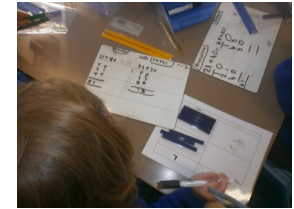

This week in school..

The children will be learning about different types of sentences including Questions, Statements and Exclamations.

They will be writing their own questions to ask Little Red Riding Hood and Exclamations sentences that Little Red Riding Hood would have said when she met the Big Bad wolf.

In Maths the children will be continuing to record addition and Subtraction sums using Dienes and the column method.

In D & T the children will be looking at a range of puppets and shall investigate how they are joined together

Year 2 Choir

The children who are interested in being members of the Year 2 Choir had their first practice this week. They are rehearsing for 3 events leading up to Christmas.

Bath Abbey—see below

School Christmas Fayre- 9th December
