

'Learning Together' Project

A termly project for parents and children to work on together forms part of our homework policy. It is intended that your child should produce as much as possible him/herself but with parental support and guidance.

Ideas for this term's project:-

- Finding out facts about Florence Nightingale.
- Finding out about the Food Wheel and making an information book.
- Making something 'arty' linked to the topic or Giuseppe Arcimboldo.
- Cooking activities talking about the different ingredients and healthy eating.
- Looking at fruits and vegetables discuss where they are grown or draw a map to show where some come from.
- Look for food mile information on packaging.

Once again the possibilities are endless!

Please bring the "project" in to school to share when your child is ready.

Oldfield Park Infant School

Together We Learn

This term our topic is :-
'Fit For Life'

Year 2 : Term 3
Squirrel & Rabbit Class

We are interested in learning about :-

PSHE—JIGSAW—Healthy Me

Linked to the science, the children will be learning about how to stay fit and healthy. They'll be looking at the changes they notice in their bodies after they exercise.

They will also learn about medicines and the safe use of them.

Art

Mrs Edmands will be teaching the art this term. The children will be looking at a range of different artists including Giuseppe Arcimboldo. They will be exploring and create different art work leading to creating self portraits.

Computing

The children will work on their skills with digital photography. They will also be developing their searching skills. They will search specific websites to find topic related information.

PE— Gym on Mondays

Games—The children will explore and develop their games skills on Tuesday afternoons with Mr Caswell.

Forest School—with Mr Parsonage will continue every Tuesday afternoon also.

Fit For Life

History will mainly be taught through our English lesson this term.

The children will be learning about the life of Florence Nightingale, the Crimean War and how hospitals were modernised because of the developments that happened there.

Music—"I Wanna Play in a Band" - Mr

George will teach music on Thursday afternoons based on the B&NES Music Service

Charanga scheme. All the learning is focused around one song: "I Wanna Play in a Band."

The children will be learning about the elements of music (pulse, rhythm, pitch etc), singing and playing instruments are all linked.

Science : Food Wheel

The children will be learning about the importance of a balanced diet and learning about the food wheel.

You might be able to help your child by discussing some of the ideas at home, finding books on our topic at home or in the local library, using the internet or making visits to places of interest.

Please feel free to bring in any items that support the topic.
